

# Manure Management Planner Registry Application/Renewal Form

The Manitoba Institute of Agrologists in cooperation with Manitoba Sustainable Development maintains the Manure Management Plan (MMP) Registry as an information service to the public. The MMP Registry is the primary source of information regarding qualified and approved service providers.

If you are preparing Manure Management Plans for third parties, please submit all documentation and payment to the Manitoba Institute of Agrologists ([admin@agrologistsmanitoba.ca](mailto:admin@agrologistsmanitoba.ca)):

1. Manure Management Planner course transcript copy
2. Proof that you are one of the following:
  - Registered Agrologist (P.Ag., Tech.Ag. or Agrologist-in-Training)
  - Hold the designation of Certified Crop Advisor (CCA) and are in compliance with the program requirements and carry on business as a crop advisor in Manitoba.
3. Payment of required registry fee.
  - Agrologist Manitoba registered member – \$25.00/year
  - Non-Member - \$75.00/year (by cheque payable to Manitoba Institute of Agrologists)

Being qualified and listed in the MMP Registry does not mean you are exempt from the requirement to become registered with Manitoba Institute of Agrologists if you are providing advice about the production, use, or marketing of agricultural products, crops, or livestock. For further information, see [“Practicing Agrology in Manitoba – Questions about Registration”](#).

**Due—September 20, 2019.** Forms updating or confirming your listing will be updated to the Registry as received. Updates or confirmations not received by **September 20, 2019** will result in removal of your current listing from the Registry. Completion and acceptance of this application means your name and contact details will be available at the Manure Management Planners Registry maintained by Manitoba Institute of Agrologists.
